

COCO AGENCY

INVITES YOU TO LOOK INSIDE

HUMAN BEING, THE SCIENCE WITHIN

THE STUDY OF HUMAN ANATOMY HAS ALWAYS BEEN BASED ON THE SAME PRINCIPLE: TO SEE IS TO KNOW.
THIS EXHIBITION FOLLOWS THE SAME PATH.

WATCH VIDEO OF THE EXHIBITION HERE:

THE RENAISSANCE HAS SEEN THE CREATION OF THE PILLARS OF SCIENTIFIC KNOWLEDGE, AS THE BASE OF MODERN MEDICINE.

CONTINUING WITH THE SAME PRINCIPLE (THAT IS, TO SEE IS TO KNOW), HUMAN BEING THE SCIENCE WITHIN USES DISSECTED AND PLASTINATED HUMAN BODIES TO SCIENTIFICALLY ILLUSTRATE THE HUMAN BODY LIKE A BOOK.
